

Cucho-Doo

Gestor para Veterinarias

Integrantes: Francisco Eduardo Flores Colli, Juan Pablo Chuc Herrera, Luis Ángel Martínez Vargas, Diego Angulo Marzuca

Problema

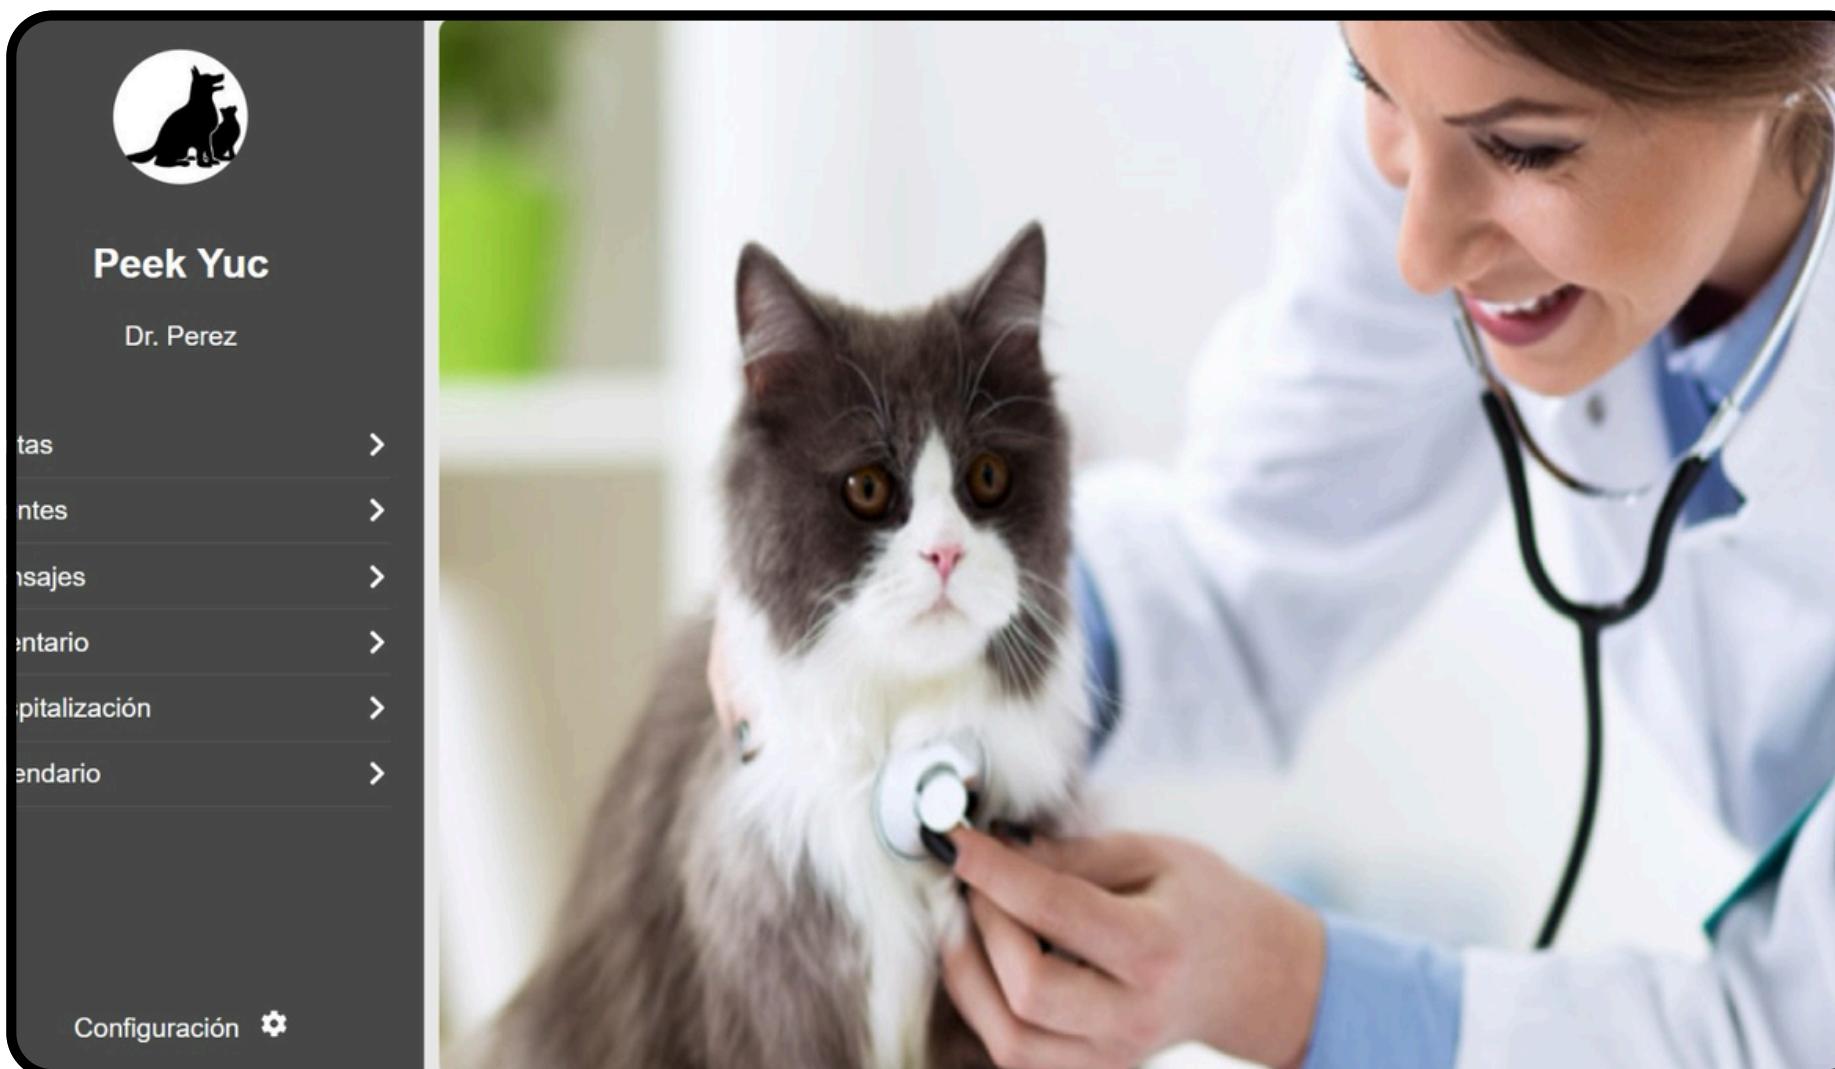

Existen veterinarias en Mérida carecen de herramientas para gestionar expedientes, inventarios y comunicación, afectando la calidad del servicio

Objetivo

- Desarrollar la versión de escritorio de Cucho-Doo para la gestión eficiente de clínicas veterinarias.

INTERFAZ

The web-based interface has a light grey header with a dark grey sidebar. The sidebar includes "Peek Yuc", "Dr. Perez", and a "Configuración" button with a gear icon. The main content area features three search bars: "Seleccionar cliente", "Seleccionar mascota", and a search bar with a magnifying glass icon labeled "Buscar en resumen de venta". Below this is a "Productos" section with two items: "Comida" (Quantity: 5, Cost: \$127) and "asd" (Quantity: 48, Cost: \$12), each with an "Añadir" button. A "Servicios" section is partially visible at the bottom.

Buscar clientes

+ Añadir Cliente

This screen shows the client management section of the mobile application. It includes a search bar, a list of clients (e.g., Luis), and a detailed profile for Luis showing his contact information and address. Below this, there's a section for managing pets, displaying a pet named 'Comgo' with its species and age, along with fields for entering new pet details.

INTERFAZ

The screenshot shows a dark-themed mobile application interface for 'Peek Yuc'. At the top, there's a navigation bar with a search bar labeled 'Buscar servicio o producto', and two blue buttons: '+ Añadir Servicio' and '+ Añadir Producto'. Below the navigation is a sidebar with various menu items like 'Servicios', 'Dr. Perez', and 'Productos'. The main content area has sections for 'Comida' and 'as'. A central modal window titled 'Añadir Producto' is open, containing fields for 'Nombre del producto' (Product name), 'Precio' (Price), and 'Icono (URL)' (Icon URL). It also features a numeric input field showing '0'. At the bottom of the modal are two buttons: 'Añadir' (Add) and 'Cancelar' (Cancel).

The screenshot shows a dark-themed mobile application interface for 'Peek Yuc'. At the top, there's a navigation bar with a search bar labeled 'Buscar área', and a blue button '+ Añadir Área'. Below the navigation is a sidebar with menu items like 'Dr. Perez', 'as', 'Comida', and 'Jaula'. The main content area shows a list item 'Area 1' with a green button labeled 'Jaula'. A modal window titled 'Detalles de la Jaula' is open, containing fields for 'Nombre de la mascota:' (Pet name), 'Médico:' (Veterinarian), and 'Motivo:' (Reason). It also features a dropdown menu 'Disponible/Ocupado:' set to 'Disponible' and two buttons at the bottom: 'Modificar' (Modify) and 'Cerrar' (Close).
